Are you searching for free books, videos, samples, for Learn Android or iOS, HTML5, PHP, Java,.Boat Makeover: What you'll need The Boat Makeover: What you'll need I just finished remodeling my parents' 25-foot sloop and made a video on the process. The URL is: The video description reads, in part: "Some tech tips from one of the best stories you've never heard, one of those who makes a living off tiny boats. (But you have heard of some guys who make a living off tiny boats, and one guy who owns tiny boats... and one boat boat... well, maybe not.) Scott Bosher has built several boats in his career, including a 26-foot boat that he will take from Stamford to Alaska aboard." We are super excited to see your boat. Yes, we know you don't need to pay for any of it. But we don't mind because the learning experience is the point. In thinking about this, I realized there's a lot of free stuff to do, and thought I might pass it along. Here's what you'll need, and how to get it. (Click the photo to go to Amazon and buy it.) 1. Sail Plan - I used this one, which is an excellent general plan. Use the search at Amazon to search for the plan you want. This one, for example, is the one I used: 2. -3. Channels - We got this boat a year ago and before that used a shaded photocopy of a boat to plan the boat build. That was fine, but I wanted more. There's a whole world of architectural design out there. (Click on the photo to go to that Amazon
